Fall 2012

Fall 2013

Since the mid-1960s, the Council of Graduate Schools (CGS) has published a statement titled, "Resolution Regarding Graduate Scholars, Fellows, Trainees and Assistants," which is concerned with the conditions surrounding the acceptance of offers of certain kinds of financial support (e.g., graduate scholarships, fellowships, traineeships, and assistantships). According to the Resolution, graduate students are under no obligation to respond to offers of financial support prior to April 15. Earlier deadlines for acceptance are in violation of the Resolution. CGS would like your opinion on this Resolution.

2. On balance, is the Resolution an effective tool for managing offers of financial support?

Yes
 No

3. What changes could be made to the Resolution in order to make it more effective?

4. Is April 15 the best date for the Resolution?

Yes
 No

5. If no, what date would be better?

6. How does the Resolution impact offers to prospective international students differently from prospective domestic students (if any)?
-

2. Please provide the final number of offers of admission granted by your institution to prospective **international graduate students** for fall 2012 and fall 2013. In addition, please provide first-time and total enrollment figures for international graduate students at your institution *as of October 1st or the same date each year*. See the *Survey Instructions and Definitions* for detailed instructions, definitions, and taxonomy.

SURVEY INSTRUCTIONS AND DEFINITIONS

About the Survey:

The 2013 CGS *International Graduate Admissions Survey, Phase III: Final Offers of Admission and Enrollment* is being sent to all U.S. colleges and universities that are members of the Council of Graduate Schools (CGS) as of August 2013. The survey asks institutions to report the final numbers of offers of admission to prospective international graduate students, as well as first-time and total graduate enrollment figures for international students. The three-part *International Graduate Admissions Survey* has been conducted annually by the CGS since 2004. Survey reports are available online at www.cgsnet.org.

The survey response deadline is Thursday, October 17, 2013.

Confirmation of receipt: You will receive e-mail verification from CGS that your survey was received from CGS within two business days. If you do not receive this e-mail confirmation, please contact Jeannette Remington at jremington@cgs.nche.edu or (202) 461-3860.

Contact Information: If you have problems submitting your survey electronically, please contact Jeannette Remington, Program Manager, at jremington@cgs.nche.edu or (202) 461-3860. For all other questions, contact Jeff Allum, CGS Director of Research and Policy Analysis, at 202-461-3878 or jallum@cgs.nche.edu.

Confidentiality:

All data and information submitted for the *CGS International Graduate Admissions Survey* will be treated as confidential and will only be used for research or statistical purposes by CGS. Any information released publicly will be in a format that does not allow the identification of institutions or the personal identification of students. All survey data are stored on a secure, password-protected server, and access to the raw survey data is restricted to those individuals directly involved in the data collection and analysis. Participation in the *CGS International Graduate Admissions Survey* is voluntary.

Survey Instructions and Definitions:

- Please provide final figures when available. If final figures are not available for both 2012 *and* 2013, please provide data as of October 1st or the same date each year. (For example, if you provide data for fall 2012 first-time enrollment as of 10/1/12, provide fall 2013 first-time enrollment data as of 10/1/13.) Since we are measuring changes in admissions and enrollment from year-to-year, it is important that we compare data from the same point in time each year.
- **Only report data for non-U.S. citizens on temporary visas.** Non-U.S. citizens are students or prospective students who are not citizens, nationals, or permanent residents of the United States. These individuals will be expected to be in the United States on a student visa, or on a temporary basis, and do not have the legal right to remain indefinitely. Students or prospective students born in Puerto Rico, Guam, the U.S. Virgin Islands, or other U.S. territories are considered citizens of the United States and thus should not be included in the survey data. Undocumented students (i.e. illegal aliens) should not be included in the survey data.
- Please provide data for all international students admitted to or enrolled in graduate certificate, master's degree, education specialist, and doctoral degree programs offered by **ALL** divisions, schools, colleges, or departments of your institution. Each institution should submit one survey combining the data from all divisions, schools, colleges, and/or departments.
- **Data to include:** Include data for all international students admitted to or enrolled in graduate certificate and graduate degree programs. At the master's level, include data for all students admitted to or enrolled in all master of science (M.S.) and master of arts (M.A.) programs, as well as data for students admitted to or enrolled in other master's programs in such areas as business (e.g., M.B.A.), fine arts (e.g., M.F.A.), health sciences (e.g., M.P.H.), public administration (e.g., M.P.A.), public policy (e.g., M.P.P.), social work (e.g.,

M.S.W.), and other master's programs. At the doctoral level, include data for students admitted to or enrolled in all doctoral programs such as Ph.D., Ed.D., D.B.A., D.F.A., and Psy.D, among others. Include data for students admitted to or enrolled in graduate certificate programs (including post-baccalaureate and post-master's certificate programs) or other graduate programs (e.g., Ed.S.).

- **Data to exclude:** Do not include data for non-degree students or for visiting or exchange scholars. Do not include data for students applying for admission to undergraduate-level or first-professional degree programs. First-professional degree programs include Chiropractic (D.C. or D.C.M.), Dentistry (D.D.S. or D.M.D.), Law (L.L.B., J.D.), Medicine (M.D.), Optometry (O.D.), Osteopathic Medicine (D.O.), Pharmacy (Pharm.D.), Podiatry (D.P.M., D.P., or Pod.D.), Theology (M.Div., M.H.L., B.D., or Ordination), and Veterinary Medicine (D.V.M.). Please note that this list of first-professional degree programs is comprehensive.
- Total international enrollment includes first-time international enrollment PLUS continuing international students. **DATA CHECK:** The figure you report for total enrollment should be greater than the figure you report for first-time enrollment.
- When providing data for the "Select Countries/Regions of Origin" fields, only include graduate-level data for non-U.S. citizens on temporary visas. **DATA CHECK:** The total of the numbers provided for the four countries/regions of origin will likely NOT equal the total provided in the "Non-U.S. Citizens" field, since the "Non-U.S. Citizens" field includes applications from, and offers of admission to, students from ALL non-U.S. countries, not just the four listed under "Select Countries/Regions of Origin."
- **China** refers to the People's Republic of China (i.e. mainland China) and excludes Hong Kong, Macau, Taiwan, etc.
- **Africa** includes Algeria, Angola, Benin, Botswana, Burkina Faso, Burundi, Cameroon, Cape Verde, Central African Republic, Chad, Comoros, Côte d'Ivoire (Ivory Coast), Democratic Republic of the Congo (formerly Zaire), Djibouti, Egypt, Eritrea, Equatorial Guinea, Ethiopia, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Kenya, Lesotho, Liberia, Libya, Madagascar, Malawi, Mali, Mauritania, Mauritius, Morocco, Mozambique, Namibia, Niger, Nigeria, Republic of the Congo, Réunion, Rwanda, Sahrawi Arab Democratic Republic, Saint Helena, São Tomé and Príncipe, Senegal, Seychelles, Sierra Leone, Somalia, South Africa, South Sudan, Sudan, Swaziland, Tanzania, Togo, Tunisia, Uganda, Zambia, and Zimbabwe.
- **Europe** includes: Albania, Andorra, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Gibraltar, Greece, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Malta, Moldova, Monaco, Montenegro, Netherlands, Norway, Poland, Portugal, Romania, Russia, San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, United Kingdom, and Vatican City. **NOTE:** Do not include data for Kazakhstan with Europe.
- **Middle East includes:** Bahrain, Iran, Iraq, Israel, Jordan, Kuwait, Lebanon, Oman, Palestinian Authority, Qatar, Saudi Arabia, Syria, United Arab Emirates, and Yemen. **NOTE:** Prior to 2012, data for students from Cyprus and Turkey were included with this region, but starting in 2012, those data should be reported with the data for Europe.
- When providing data for the "Field of Study" section, only include graduate-level data for non-U.S. citizens on temporary visas. **DATA CHECK:** The total of the numbers provided for the eight fields of study SHOULD equal the total provided in the "Non-U.S. Citizens" field.
- The survey taxonomy and two CIP crosswalks are included at the conclusion of this document. Please note that the taxonomy is based on the taxonomy used for the annual *CGS/GRE Survey of Graduate Enrollment and Degrees*.
- When completing the survey, please enter a "0" (zero) in fields when appropriate, e.g., when no international students have been offered admission or are enrolled in that field of study or are from that country/region, or if your institution does not offer programs in a certain field of study. Fields should be left blank only when data are not available.

- **Submission instructions:** After filling in all fields, please click the “Submit Form” button located in the right-hand corner of the document window. A new window will appear in Adobe title “Send Form.” Enter your e-mail address and your name. Hit the “send” button in the bottom right-hand corner of the dialogue box. Forms cannot be completed and sent through the “Preview” function on Mac computers. You must open the form in Adobe or Adobe Reader. If you are unable to submit using the “Submit Form” button, please send completed surveys as an attachment to CGS Research at research@cgs.nche.edu. We prefer to receive the survey data electronically, but if you are unable to submit via e-mail, please print the completed form and fax it to 202-331-7157.
