## 2008 INTERNATIONAL GRADUATE ADMISSIONS SURVEY II

**Institution Name:** \_\_\_\_\_

**Name of Individual Completing the Survey:** \_\_\_\_\_

1. Last year, CGS began to collect information on international collaborative degree arrangements, and would like to update this information this year. Does your institution have any of the following graduate degree or other programs with one or more international universities? (Check all that apply.)

**Dual (or Double) degree program** (Students study at two or more institutions and upon completion of the program receive a separate diploma from each of the participating institutions.)

**Joint degree program** (Students study at two or more institutions and upon completion of the program receive a single diploma representing work completed at two or more institutions.)

If you have a **Joint degree** program, do the institutions involved with the joint collaboration award:

A **“Double-seal” or “Double-badge” diploma** that contains the names and official seals of all institutions in the international collaborative arrangement

A diploma issued by the home institution, with that institution’s seal only and a transcript, certificate, or other document indicating the student’s participation in the international collaborative program

**Graduate Certificate** (A non-degree program with a dual or joint awarding structure)

**Other** (Please specify: \_\_\_\_\_)

**None (Skip to Question 2)**
