What is the UWF approach to RCR?

BACKGROUND:

• Summer 2008 selected as AIR Fellow & met CGS to discuss PSI

• July 2008 formed UWF Task Force/Advisory Board focused on submitting a proposal for the PSI competition endorsed by all UWF department chairs

• September 2008 received notification that UWF was selected as an affiliate institution for the CGS PSI

• 2008-2009 Conducted monthly meetings of Task Force for RCR and developed plan of action

• Spring 2009 Developed and pilot tested an assessment instrument for determining the current UWF focus on RCR in graduate programs
What is UWF approach to RCR?

- **RCR Task Force Steering Committee & Departmental Liaisons**
- **Conduct Needs Assessment**
- **Connect with CGS & Partner Institutions Best Practices**
- **Review Curriculum, Materials, & Teaching Strategies**
- **Promote Formal & Informal Dialogue**

20 members representing all departments in the university
What is UWF approach to RCR?

Responsibilities of Steering Committee and Departmental Liaisons:

1. Serve as an ambassador for RCR

2. Inform department/colleagues of the activities of the Task Force

3. Serve as an ambassador for the CGS National Survey of Students and Faculty

4. Serve as an ambassador for the UWF Survey of Graduate Students and Faculty

5. Assist in the review of syllabi from colleagues for RCR
UWF Research Integrity Action Plan:

1. Develop website for RCR and related materials
2. Presentation at University-wide faculty assembly
3. Disseminate CGS National Survey of Students & Faculty
4. Disseminate UWF Survey of Students & Faculty
5. Review syllabi of research courses across campus
6. Hosted regional conference focused on RCR
7. Analyze data from national and local surveys
8. Pilot RCR online proficiency course with Ed. D. cohort
Research Integrity
RSP is responsible for ensuring UWF is committed to responsible research by seeing that the university remains in compliance with federal and state policies pertaining to research, serving as the coordinating office for human and animal compliance activities and in the cases of Intellectual Property to transfer research-derived technology into commercial use.

Conflict of Interest (research-related)
Export Control
Institutional Animal Care and Use Committee (IACUC)
Institutional Review Board (IRB) for Human Research Participants Protection
Policy for Responding to Allegations of Misconduct in Research & Scholarly Activity

The Associate Vice President for Research serves as UWF's Research Integrity Officer and as such is the first point-of-contact to initiate inquiries into allegations of misconduct in research.

Whistleblower Protections under the Recovery Act
Responsible Conduct in Research (RCR)
ORI’s Nine Core Areas of RCR

1) Data Acquisition, Management, Sharing, and Ownership

Future considerations for the UWF approach to RCR:

1. _______ Continue concerted effort within UWF to educate faculty and students regarding RCR

2. _______ Continue concerted effort within UWF to align graduate courses and syllabi to RCR considerations

3. _______ Continue concerted effort as an affiliate of the CGS Project for Scholarly Integrity
