Speaking at a Rotary Club in south Georgia on “Education Day”

Governor of Georgia presented a proclamation in recognition of the UGA Graduate School Centennial
Enhancing graduate education will benefit the institution and the state. [The students] are the people equipped to meet the needs and address the challenges that Georgia faces in the 21st century. They are the intellectual task force for a better Georgia and UGA is obligated to produce them.

Lessons Learned

- Don’t overlook any opportunity
- Know your audience – listen and learn what is important to them
- Tell stories – they sell
- Keep students at forefront
- Use data
- Find others to make the case for you
- Celebrate students, milestones, and awards
