<sup>1</sup> According to the FY24 Department of Education Congressional Justification for Higher Education, this program is authorized under Title II, Part B of the Higher Education Act but has never been funded.

<sup>2</sup> A new program to address the high need for campus mental health services. The budget justification cites data from the Centers for Disease Control and Prevention that says 63 percent of 18–24-year-olds have reported anxiety or depression due to COVID-19 and 25 percent reported suicidal thoughts.

<sup>3</sup> An extension of a COVID-19 emergency program that provides cross-agency support for students to access services like SNAP and housing assistance.
